

TV Time

Decide how you are going to use TV. Watch the cartoon and be ready to answer or complete one of the questions below.

What you'll need

- TV set
- TV channels
- Pen or pencil

What to do

1. Decide together how much TV your family will watch. Watch the TV cartoon before each family TV time. Decide how long you will watch the cartoon each day.
2. Decide what you will watch each day or week. Write your choices. If 2 people want to watch different programs at the same time, TV or computer, take turns.
3. Your child's teacher may bring a TV program on homework, make attention if this happens.
4. Talk to the other people TV with your child. Be sure they understand what you are doing.
5. Write down the TV time, or program family or children can do other things with TV time to watch.
